## Web Developer

 01910255376

 yeasinmiah1272001@gmail.com

### EDUCATION

#### Diploma in Computer Engineering

Habiganj Polytechnic Institute  
2020-2021

### SKILLS

- html
- css
- javascript
- react js
- node js
- express js
- firebase
- tailwind css
- react-router-dom
- figma

### LANGUAGE

- English
- Bangla

### PROFILE

As a junior web developer, I focus on creating dynamic and responsive web applications using React.js. My recent project involved developing a library book store website where I implemented features like dynamic book listing, search functionality, and a user-friendly registration form. Integrating technologies like Tailwind CSS for styling and SweetAlert for notifications, I aim to deliver seamless user experiences. Stay tuned for more insights on modern web development practices and tips.

2022 - 2023

### WORK EXPERIENCE

- Working with the wider development team.
- Manage website design, content, and SEO Marketing, Branding and Logo Design

### Certification

- Programing-Hero it institute
- People Ntech It institute

### My Project Name

- Book-store
- match-Box etc
